LIABILITY WAIVER

I understand that attendance of a dog training class is not without risk to myself, members of my family, guests who may attend, or my dog because some of the dogs that we will be exposed to may be difficult to control, and, as a result, may be the cause of injury and/or damage, even when handled with the greatest amount of care.

Therefore, in consideration of the acceptance of my application for training class or ring time, I hereby waive, release, and hold harmless the Staten Island Companion Dog Training Club, Inc., its employees, members, trainers, assistants, volunteers, and/or agents, (hereinafter referred to as the "training club"), and the owner(s) of the premises located at 75 Ellis Street, Staten Island, New York 10307 and/or 1601 South Avenue, Staten Island , NY 10314, from any and all liability for injury and/or damage which I, my family, my guests, or my dog may suffer, including, but not limited to, any injury or damage resulting from the action of any dog(s) in the training session or on the training grounds.

In addition, I expressly assume the risk of such injury or damage while attending any training session, any other function of the training club, and/or while on the training grounds or surrounding areas thereto.

Lastly, I hereby agree to indemnify, compensate, and hold harmless the training club and the owner(s) of the premises located at 75 Ellis Street, Staten Island, New York 10307 and/or 1601 South Avenue, Staten Island, NY 10314, from any and all claims asserted against the aforementioned, made by any person(s) accompanying me, or, any other person(s) attending any training session and/or other function of the training club, or while on the training grounds or surrounding areas thereto, as a result of any action by any dog(s), including my own, that causes injury and/or damage.

To the best of my knowledge, all the information requested has been provided accurately and completely. The handler of this dog is responsible for controlling the dog at all times during class, both in the building and on the premises. A dog and handler may be removed from class at the instructor's discretion should the handler be unable to control the dog.
